**DETAILED ACTION**

***Claim Rejections - 35 USC § 112***

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 1-6 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 1, lines 8, the words "on the" do not agree with the words preceding. The words "ends plates" do not appear to have antecedent basis. In lines 10-11 the words "both side centers from anode plate" are not clear and confusing as to where is the location claimed. In line 15, the words "through each electrode" appear to be misdescriptive because the electrodes do not appear to be porous. In lines 15-16, is the anode reaction chamber and cathode reaction chamber the same as the anode chamber and cathode chamber?

***Terminal Disclaimer***

3. The terminal disclaimer filed on 6/21/04 disclaiming the terminal portion of any patent granted on this application, which would extend beyond the expiration date of US 6,132,572 has been reviewed and is accepted. The terminal disclaimer has been recorded.

***Conclusion***

4. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
